REQUIREMENTS:

All students must wear issued uniform and gear (no ammunition needed for training) to learn how to use arresting/restraining techniques in a “live” situational environment.

COMPLETION:

Upon completion, each successfully trained student will receive certification and an invitation to the higher levels of training offered.

PRICE: \$399 USD

REFERENCE:

This course has been taught to police officers, security personnel, MP's, SWAT, FBI, and CIA in the PA, NY, & east coast areas. Taught by some of the most highly recognized instructors in the industry, the training continues to be legally effective and helps officers do a first class job for their department.

Departments are required to supply their requests or SOP's for departmental specific training. EIP, Inc. always encourages agencies to provide situational requests so that we can tailor our training to your needs.
