

## EXTREME INTERNATIONAL POWER, INC. – COURSE DESCRIPTIONS

### Elite Military, Law Enforcement & Private Security Sniper Course (Accredited course)

#### Course Detail

TITLE: *Elite Military, Law Enforcement, & Private Security Sniper Course*– ET107

This course covers the essential skills needed for an individual with little or no experience in scoped weapons and gives them an elite solid foundation. This course is designed for both military and law enforcement personnel, and the needs of their unit or department. Each instructor is qualified as either a military or law enforcement sniper with hands-on experience to assist each student with scoping their weapon, judging distance, and successfully reading the wind to engage targets. The skills are a basic foundation needed to operate in a one or two man team.
